

# Avoid Prosecution!

Get your **SAWMILL LICENCE** today!

## What is a “sawmill”?

Sawmill means any power driven saw whether circular saw, band saw, or any other type of saw capable of being used for cross-cutting or sawing timber into boards or planks.

## A SAWMILL LICENCE IS REQUIRED TO:

Drive, transport or use in any place a sawmill of any type of make.

Authorise or instruct anyone to use or operate your saw.

Trade, store or purchase locally produced lumber.
